The 'Think Green' Awards

Bottomline Technologies' 'Think Green' Awards are designed to honor partner organizations who are helping their clients reduce the environmental impact of paper-based payment, invoice and transactional document processes through the use of Bottomline's software solutions.

Who's Eligible?

If you are a Bottomline partner with a customer using one of our solutions for a 'green-inspired' initiative we'd love to hear from you!

Application Deadline?

Nominations for the 'Think Green' Awards are accepted on a rolling basis. Winning entries will receive a commemorative award from Bottomline, plus we'll make a monetary donation to an environmental non-profit organization in your name.

To submit your nomination, simply complete the below form and return it to Bottomline via email at thinkgreen@bottomline.com. For additional information or questions, please contact Billy Balfour, Bottomline's Director of Corporate Communications at 603-501-5219.
