RS-SCX-5635FN-MICR Monochrome Laser MICR Check MFP
Print/Copy/Scan/Fax

Relyco RS-SCX-5635FN-MICR

Laser MICR printer, digital duplex copier, color scanner and high-speed fax.

Boost your work efficiency and performance with the RS-SCX-5635FN-MICR. Supporting workgroups and small to medium business users, this intelligent MICR multifunction printer can do it all. It delivers laser-sharp printouts, professional-quality copies, fast faxes and colorful, crisp scans. Relyco approved MICR toner and check stock give you the ability to print bank-compliant checks and other secure financial documents.

With speeds up to 35 ppm, duplexing functionality, convenient network features and more, the RS-SCX-5635FN-MICR is engineered to make it easier to get the job done.

A fast, flexible laser MICR printer

Total MICR Solution When used in combination with Relyco approved MICR toner, software and check stock, the RS-SCX-5635FN-MICR produces high-quality printouts guaranteed to meet ANSI check-printing standards.

Approved Check Stock The right check stock is a critical component of effective check printing. That is why Relyco check stock is the only check stock approved to produce high quality printouts guaranteed to meet ANSI check printing standards.

Approved Toner The RS-SCX-5635FN-MICR uses high-quality, high-yield Relyco approved MICR toner.

ANSI-Standard Fonts Print fonts are designed to meet the exacting tolerances of ANSI X9.27 standards for character dimensions of the universally used E-13B font.

High Resolution, High Quality With 1200 dpi effective output, the RS-SCX-5635FN-MICR delivers the document quality you expect from the world's second-largest laser print engine manufacturer.

High Speed The first print is out in less than 8.5 seconds and the rest follow at up to 35 ppm. A generous 128MB (expandable to 384MB) memory provides the capacity to handle big, complex documents.

OS Friendly Built-in Windows, Mac and Linux compatibility means everyone in the office gets to be more productive.

Print high quality-checks, IRDs and other financial institution-compliant documents.

A full-feature copier

Quick, Clear Copies Speeds of up to 35 cpm combine with 600 dpi effective resolution to deliver professional-quality duplicates, fast.

Clever Features Easy one-button features that will forever expand your expectations of a copier.

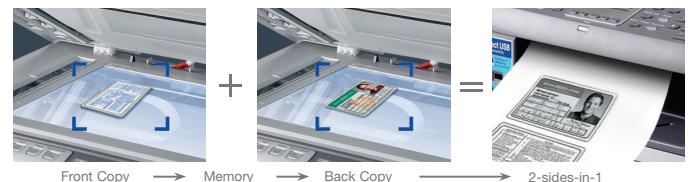

50-Sheet Automatic Document Feeder Instead of copying one page at a time, you can insert a stack of pages, press a button and the machine will do the rest.

Two-Sided Output Combined with the automatic document feeder, automatic duplexing makes it easy to copy two single-sided documents onto a double-sided document, requiring half the paper.

Simple, Intuitive Interface An informative four-line graphic LCD panel and one-touch buttons for frequently used features make all your moves smooth.

Exclusive ID Card Copy Easily copy the front and back of identification cards, such as medical insurance cards and driver's licenses, onto a single page.

ID Card Copy (2-sided-in-1 Copy)

A powerful scanner

Crisp, Color Scanning With up to 600 x 600 dpi optical and 4800 x 4800 dpi enhanced scanning resolution, the RS-SCX-5635FN-MICR captures photo-quality color and sharp black-and-white text.

Scan to Email Easily scan images directly into an email message for quick sharing.

Scan to Network Quickly scan hard copies to any file located on the network.

Scan-and-Edit Optical Character Recognition Lets you convert hard copies into digital text files, eliminating the need to completely re-key them.

A more valuable fax machine

Fast Faxing The Super G3 33.6 Kbps modem can transmit full pages in as fast as three seconds. Combined with a 15-second scan speed, you can even send lengthy documents on their way in a hurry.

Color Scan and Send In addition to 300 x 300 dpi black-and-white faxing, the RS-SCX-5635FN-MICR will transmit in full color at up to 200 x 200 dpi resolution.

PC Fax Send Instead of printing a file before faxing it, you can fax the document straight from your computer.

One-Touch Dialing The RS-SCX-5635FN-MICR features 200 speed-dial locations, and group dialing makes it easy to fax the same document to several machines.

Max Memory A generous 4MB fax memory stores up to 320 pages.

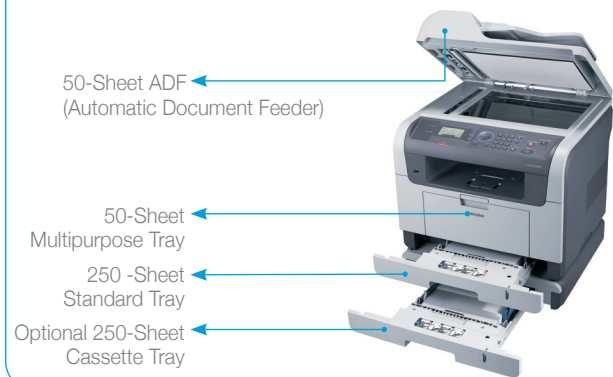

And all the valuable extras

Direct USB A direct USB port turns the RS-SCX-5635FN-MICR into a self-functioning PC to save time and effort, while letting you print and scan directly with a USB device.

Low Cost of Ownership A low cost-per-page makes the RS-SCX-5635FN-MICR the smartest purchase in the category.

Network Synergies Take advantage of Ethernet 10/100 Base-TX network connectivity, and the RS-SCX-5635FN-MICR becomes an integrated part of your network, delivering extended print, scan and fax functionality. Connect directly with hi-speed USB 2.0 or with an optional 802.11 b/g wireless network card.

High-Volume Paper Handling

High-Volume Paper Handling The RS-SCX-5635FN-MICR supports up to 550 sheets with a 50-sheet multipurpose tray, a 250-sheet standard tray and an optional 250-sheet tray. The RS-SCX-5635FN-MICR frees you from frequent paper reloading and saves you time.

High Maximum Monthly Duty Cycle

High Maximum Monthly Duty Cycle In the most demanding and challenging business environments, the RS-SCX-5635FN-MICR can deliver a maximum monthly duty cycle of 80,000 pages.
