

Think Green Awards

PARTNER NOMINATION

Bottomline Technologies' Think Green Awards are designed to honor partner organizations who are helping their clients reduce the environmental impact of paper-based payment, invoice and transactional document processes through the use of Bottomline's software solutions.

Who's Eligible?

If you are a Bottomline partner with a customer using one of our solutions to support a "green-inspired" initiative, we'd love to hear from you.

Application Deadline?

Nominations are accepted on a rolling basis. Winning entries will receive a commemorative award from Bottomline, plus we'll make a donation to a non-profit environmental organization in your company's (or your customer's) name.

To submit your nomination, please answer the questions below and submit your nomination to Bottomline via e-mail (in a new document) at thinkgreen@bottomline.com. For information, please contact Alana Burns at (603) 501-6601.
