## Introducing the 'Think Green' Awards

Bottomline Technologies' 'Think Green' Awards are designed to honor customer organizations who are helping to reduce the environmental impact of paper-based payment, invoice and transactional document processes through the use of Bottomline's software solutions.

### Who's Eligible?

If you are a Bottomline customer and using one of the company's solutions for a 'green-inspired' initiative we'd love to hear from you!

### Application Deadline?

Nominations for the 'Think Green' Awards are accepted on a rolling basis. Winning entries will receive a commemorative award from Bottomline, plus we'll make a monetary donation to an environmental non-profit organization in your name.

To submit your nomination, simply complete the below form and return it to Bottomline via email at [thinkgreen@bottomline.com](mailto:thinkgreen@bottomline.com). For additional information or questions, please contact Billy Balfour, Bottomline's Director of Corporate Communications at 603-501-5219.
