

Bottomline-Certified MICR Printers

Secure Hardware Options to Complement Bottomline Document & Payment Solutions

For more than 20 years, Bottomline has been an industry leader in corporate payments. In that time, we have formed strategic alliances with hardware and supplies vendors that allow us to provide superior products and services in complement to Bottomline's software solutions. These alliances have also allowed us to realize competitive pricing and service agreements on printers and supplies that are directly passed to our customers.

MICR Printers

Bottomline sells and supports top-quality, secure MICR printers from TROY Group, Source Technologies, Lexmark and HP. For additional information on product specifications, pricing and maintenance options, or to purchase a printer, please contact a Bottomline hardware and supplies representative directly at **800.490.2128**.
