

More P&C insurers are turning to Bottomline for Independent Adjuster bill review.

Independent Adjuster Spend Management

Increase Efficiency & Reduce Costs with your Independent Adjuster Invoices

Your peers are already taking advantage of our time-proven Independent Adjuster services to control their spend. Just look at the benefits they're reaping:

Significant Savings

Most of our clients see significant savings on each invoice processed. The average reduction on all IA invoices processed through our process exceeds 8%.

Increased Efficiency And Paper Elimination

Why wrestle with manual, paper-based processes when e-billing technology can eliminate the hassle? Today the majority of national and regional IA firms submit invoices electronically in our system. This will make life easier for your claim handlers and your IA firms - so they can both focus on value added activities.

Better Business Decisions With In-Depth Reporting Capabilities

Would you like to know more about what your IA firms are billing you for? When things are done electronically capturing the details of your IA spend electronically make that possible. Plus, the integrated reporting functionality allows you to make smarter and faster decisions.

Taking Control of Your IA Spend is Easy (And Risk-Free) –We'll Prove It

Just show us a sample of your Independent Adjuster invoices and our expert adjusters will *review them for free*, identifying the areas where your firm could be increasing efficiency and reducing costs.

You have everything to gain and nothing to lose.
