

Each Expert Bill Review solution is tailored to your unique management strategy and designed to support your established Vendor relationships.

## Expert Bill Review Services

Bottomline Technologies Expert Bill Review services are backed by more than 20 years of experience in the insurance industry. Unlike other Vendors who only offer technology, we provide you with an entire team of lawyers, auditors and bill review specialists. They're experts who are the best in their fields, who understand your challenges and can help you create a legal spend management program that will:

- Significantly improve your company's bottom line
- Maximize productivity
- Enhance Vendor relationships

That's why Bottomline is selected three times more often than any other legal spend management Vendor! It's also why our Expert Bill Review services are unlike other traditional outsourced bill review models. With Bottomline:

- Your bills will only be reviewed by experienced attorneys who have achieved Auditor Certification.
- You create your own billing guidelines to support your business objectives—we ensure they're adhered to consistently and fairly, maintaining your existing Vendor relationships.
- You get unparalleled insight into your business data, with Bottomline's exclusive Business Intelligence Reporting.

Plus, you retain complete workflow and program ownership while we do all the heavy lifting!

### FAQ About Bottomline's Expert Bill Review Program

- 1. How does Bottomline's Expert Bill Review Program work?**  
It's simple. Law firms submit invoices electronically, then Bottomline's team of attorneys audit them for compliance with existing litigation guidelines as well as any other reasonable and customary standards.
- 2. What are the average savings organizations achieved?**  
Savings can range from 8%-15%, depending on an organization's goals and objectives. Each EBR solution is specifically tailored to complement our clients' management strategy while supporting established Vendor relationships.
- 3. Then there's a guarantee we'll save money?**  
We guarantee you will not pay more than you save.
- 4. How much will it cost our law firms?**  
Since all firms have the ability to submit electronically, it won't cost them anything.
- 5. What do we need to get started?**  
All you'll need is a list of law firms and contacts and any litigation guidelines or agreements in place.
- 6. Will it be a problem for our law firms if we take advantage of Bottomline's Expert Bill Review services?**  
More than 11,000 firms already submit invoices through Bottomline's legal spend management systems, so there is a high probability the majority of your firms are already submitting invoices for other Bottomline clients. If they aren't, it's easy for them to get started submitting electronically—and the benefits to them are numerous, including faster invoice payment.
