

Autobooks

Become an Ecommerce Enabler and Monetize Your Small Business Relationships

Looking for ways to win with your small business customers? Autobooks can help you beat the competition, increase your non-interest fee income, and deepen your small business relationships. By embedding Autobooks purpose-built solutions directly into your Bottomline digital banking platform.

Enrollment is easy and happens directly after account opening. Making it easier and faster for your small business customers to get paid and directly manage their finances with you online or via a mobile device.

GENERATE NON-INTEREST FEE INCOME

When business owners get paid through Autobooks, a portion of their transaction interchange rate is paid directly to you.

INCREASE DEPOSITS

Payments made to the business owner are deposited directly into their existing checking account with your bank.

ATTRACT NEW CUSTOMERS

Differentiate from the competition by offering essential small business tools that directly integrate into your digital banking channels.

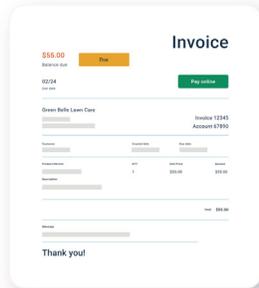

REDUCE OPERATIONAL EXPENSE

Autobooks enrollment is completely online, and only takes minutes for the business owner to complete. Once enrolled, the Autobooks team is there to answer questions.

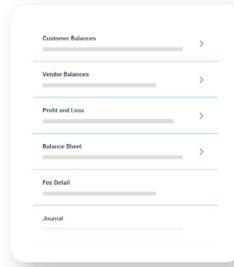

Autobooks Product Suite

Enable your small business customers to accept digital payments, manage cash flow, automate accounting and access financial reporting directly from online and mobile banking.

Online Invoices

Give business customers the ability to easily send professional invoices that are payable online.

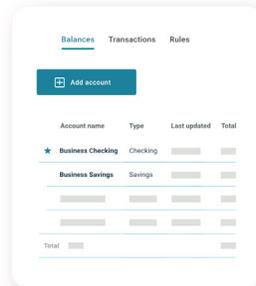

Card Payment Acceptance

Offer businesses and non-profits a way to accept online or in-app payments, via payment link or QR code.

Accounting & Bookkeeping

Owners get precious time back to focus on running and growing their business.

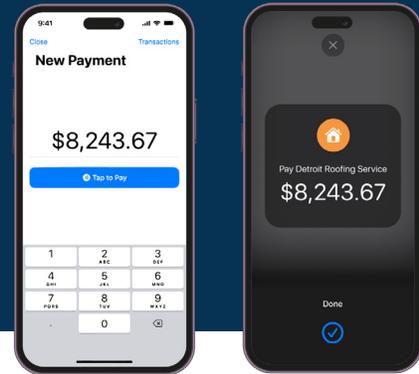

Financial Reporting

Make it easier for customers to maintain crucial financial records.

Tap To Pay On iPhone

Enable business customers to accept contactless, in-person payments with only an iPhone.

- Accept a credit or debit card payment
- Send a receipt for TtP payments (including post-transaction)
- View a list of payments received
- Cancel a TtP payment (if payment has not processed)
- Refund a payment (once payment has processed)

Be a Small Business Enabler

Have our mobile banking app yet? It provides easy access to not only Autobooks tools, but also all the commercial Digital Banking capabilities your customers need, on the go.

Learn more about Autobooks and our mobile banking app and how they can help you win with your small business customers.
