**Bottomline**™

Automate Accounts Payable and Securely Pay Suppliers

With the Bottomline AP Automation for Real Estate solution, expertly manage every aspect of the accounts payable process – from purchase to payment – in minutes.

The highly configurable platform digitizes manual AP tasks and gives you complete transparency and detailed audit trails. No more paper, wasted time, or guesswork. Plus, earn rebates from your AP spend when you pay suppliers electronically through Paymode, Bottomline's business payments network.

Manage Procure-to-Pay in a Single Solution

Order from Supplier Catalogs	Create Purchase Orders	Manage Invoices	Track Job Costs	Manage Suppliers	Generate Reports	Pay Suppliers	Supplier Self-Service

"The workflow-based routing on invoices enables us to easily and quickly distribute invoices to the appropriate coders and approvers regardless of their physical location and has completely eliminated the "paper shuffle" and given us 100% accountability for invoices from the date of receipt to the date of payment."
