

# Virtual Cards

## Revenue Boosters and Cost Busters

Businesses not making heavy use of virtual card are missing out on hundreds of thousands of dollars in savings and rebates.

### The Benefits of Virtual Card

### How do I save and earn with ACH and virtual card?

In this example, XYZ Inc. has an annual AP spend of \$200 million. 28,000 checks per year are replaced with ACH and virtual card payments totaling \$140 million.

<b>SAVE</b> by cutting costs	28,000 checks	x	\$4 cost per check	=	\$112,000 annual cost savings
<b>EARN</b> with premium ACH rebates	\$35 million premium ACH spend	x	0.0045 rebate rate	=	\$157,500 annual cash back rebates
<b>EARN</b> with card rebates	\$30 million card spend	x	0.0135 rebate rate	=	\$405,000 annual cash back rebates

By converting to ACH and virtual card payments,  
AP contributes nearly  
\$675,000 of ROI per year.
