

TERMS OF SERVICE

These Terms of Services (the “Terms”) govern Customer’s use of Bottomline’s software-as-a-service (the “Products and Services”). These Terms are a legal contract between Bottomline Technologies, Inc., on behalf of itself and its affiliates and subsidiaries (collectively, “Bottomline”) and the customer identified in an order form (“Customer”). Each party represents and warrants that they have the authority to enter into these Terms and doing so does not conflict with any other agreements to which they are a party.

1. **Customer Acknowledgments and Obligations.**

a. Customer Account Registration. Customer agrees to provide accurate and complete information in order to register an account with Bottomline (a “Customer Account”) and promptly update Customer Account details when necessary. A Customer may authorize itself or one or more of its employees (collectively, “Authorized Users”) to use or manage the Products and Services on Customer’s behalf. Customer acknowledges that its Authorized Users have full access to and management privileges of Customer Account(s), Customer Materials (as defined below) and any personal data associated with Customer Account(s). Customer will, and will ensure that each Authorized User will, keep Customer Account access credentials and account details confidential and ensure that they are not disclosed to any third-party. Customer is responsible for the acts and omissions of its Authorized Users and is fully responsible for all activity that occurs with Customer’s Account and use of the access credentials. Customer agrees to, and will ensure that each Authorized User will, notify Bottomline at BNotifications@bottomline.com immediately upon learning of any unauthorized access to a Customer Account. Bottomline may rely on Customer’s and its Authorized Users’ or end users’ access to the Products and Services which is believed by Bottomline to be genuine, and assume an individual using or accessing the Products and Services is, in fact, Customer’s Authorized User or end user. Customer shall be responsible and liable for all use of, access to, and activity within the Products and Services of its Authorized Users and end users.

b. Customer Access. Subject to these Terms, Customer and its Authorized Users and end users (if applicable) may access and use the Products and Services, websites, dashboard or portals that are made available to Customer solely for internal business operations and solely in accordance with the Documentation, defined herein. If Customer allows access to the Products and Services to its end users, Customer shall enter into terms and conditions with its end users that shall be at least as protective of Bottomline and its Products and Services and Confidential Information (as defined in the Security Terms) as these Terms.

c. Customer Materials. “Customer Materials” means any data, information and materials of Customer and its end users: (a) provided to Bottomline or its third-party service providers, either directly by Customer or through Customer’s data processing system(s); or (b) entered into, stored on, transmitted through, or processed using the Products and Services. If applicable, Customer hereby appoints Bottomline as Customer’s agent to receive Customer Materials from, and deliver Customer Materials to, Customer’s data processing system(s), including any third-party providers thereof. Customer shall provide all required and appropriate privacy or other notices to its end users and obtain all required consents from its end users regarding Bottomline’s access to Customer Materials for the provision of the Products and Services. Customer grants to Bottomline a worldwide, non-exclusive, royalty-free, transferable and sublicensable right to use, copy, modify, display, distribute, reproduce and store Customer Materials for the purpose of performing its obligations under these Terms, improving the Products and Services, and as otherwise provided in [Bottomline’s Privacy Policies](#). Customer is solely responsible for the content and accuracy of the Customer

Materials. Bottomline may compile statistical and other information related to the performance, operation and use of the Products and Services, Customer Materials, and other transactional and usage data derived from the Products and Services in anonymized and aggregated form for security management, business operations, to create statistical analyses, for research and development, to make improvements to the Products and Services, and for marketing purposes.

d. Documentation. Customer agrees to comply with Bottomline's Security Terms found [here](#), user manuals, third party service providers' terms and conditions (as applicable), technical requirements and specifications, and other documentation available at Bottomline's websites, FAQs, as updated from time to time, and which are incorporated herein by this reference (together, the "Documentation"). In the event of a conflict between provisions in the Documentation, these Terms and the Order Form, the Order Form shall control.

e. Restrictions. Customer acknowledges and agrees that it shall not, and shall ensure its Authorized Users and end users do not: (i) access or use the Products and Services in any manner or for any purpose other than expressly permitted by these Terms and the Documentation; (ii) change, modify or otherwise create derivative works of all or any portion of the Products and Services; (iii) modify, disassemble, decompile or reverse engineer any part of the Products and Services or apply any other process or procedure to derive source code algorithms, methods or techniques of any software included in the Products and Services or any portion thereof (except solely to the extent permitted by applicable law); (iv) access or use the Products and Services in a way intended to avoid exceeding usage or transaction limits; (v) use the Products and Services in order to build a similar or competitive application or service; (vi) remove, tamper with or alter any disabling mechanism or circumvent any technical protection measures associated with the Products and Services, or otherwise use any tool to enable features or functionalities that are otherwise disabled in the Products and Services; (vii) distribute, disclose, market, rent, lease, assign, resell, pledge, license or otherwise transfer the Products and Services or any portion thereof to any unauthorized third-party, (viii) unless otherwise permitted, allow the Products and Services to be used in connection with any facility management services or service bureaus or otherwise to be used for processing the data of any third-party other than its end users; (ix) remove or alter any proprietary notices (e.g., copyright and trademark notices) pertaining to the Products and Services; (x) perform, or release the results of benchmark tests or other comparisons of the Products and Services or perform other unauthorized technical acts such as screen or data scraping. Customer's rights to use the Products and Services, including without limitation, any applicable allotment of End Users, shall not extend to acquired entities, in whole or in part, or new entities established as a result of an acquisition. In such event, the Fees set forth in any associated Order Forms shall be adjusted. Customer shall not offer to any third parties products or services substantially similar to the Products and Services provided by Bottomline to Customer hereunder.

Customer shall be solely responsible for its, and its end users, use of CFRM, including any data and other output generated from CFRM, and for verifying any such data and other output. Customer acknowledges that the quality of such data and other output and the result of using CFRM are dependent on the data inputted by Customer and its end users. Bottomline may, at times, provide suggestions for Customer’s use of CFRM and Bottomline disclaims all liability related thereto. If Customer uses or purchases Bottomline’s Fraud Intelligence Exchange (“Exchange”), Customer acknowledges and agrees that: (x) anonymized data is irreversibly de-identified and aggregated with data from other financial institutions such that Bottomline and other financial institutions cannot identify the originating institution, customer, account or underlying transaction (“Exchange Anonymized and Aggregated Data”); (y) Bottomline has all right title and interest in and to Exchange Anonymized and Aggregated Data; and (z) Exchange is intended to provide Customer with enhanced visibility into potentially fraudulent payees and emerging fraud, and Customer shall not use Exchange as a factor in determining eligibility for credit, insurance, employment, or any other purpose that may trigger coverage by the Fair Credit Reporting Act (“FCRA”). Paymode Services (“PMX” or “Paymode”). If Customer uses or purchases Paymode for payments, the Operational Rules available [here](#) apply. Customer (also referred to as “Payer”) acknowledges and agrees that Bottomline’s exclusive role in connection with payments is that of a data processor providing services to Customer and that Bottomline, its Third-Party Service Providers and banking partners act as a “mere conduit” and not an initial transferee in connection with payments. Bottomline will never possess Payer funds; Payer funds are held either by the bank selected by Bottomline, which processes Payments made via Paymode on behalf of the Payer, or by a third-party directly contracted with Bottomline to provide Paymode (“Third-Party Service Provider”) until such time as the funds are transferred to the respective Payee(s) or returned to Payer. All information collected by Bottomline arising out of or related to the use of Paymode shall be subject to the Bottomline Privacy Policy available at <https://secure.paymode.com/policies/privacypolicy.htm>. Customer, on behalf of itself and its successors in interest, grants Bottomline a world-wide, non-exclusive, irrevocable, perpetual, and royalty-free right and license to use, profit from, disclose, publish, or otherwise exploit any Feedback. Without limiting the generality of the foregoing, Customer agrees that its provision of Feedback does not give it any intellectual property or any other right, title, or interest in or to any aspects of the Products and Services, even if such Feedback leads Bottomline to create new Products and Services. No representations, warranties, or indemnities as may be granted by either party to the other under these Terms or the Documentation shall apply to Feedback.

b. Fees. Customer agrees to pay all fixed and recurring fees (collectively, the "Fees") set forth in the applicable Order Form within net thirty (30) days from the date of invoice, unless otherwise stated in such Order Form. Customer shall reimburse Bottomline for all expenses it may incur in its efforts to collect any amounts owed to Bottomline. Any portion of the Fees that are not paid when due will accrue interest at one and one-half percent (1.5%) per month or the maximum rate permitted by applicable law, whichever is less, from the due date until paid. Customer shall pay the Fees without offset or deduction. Any amounts Customer disputes must be disputed in writing within thirty (30) days from receipt of invoice or Customer's right to dispute such amounts shall be deemed waived. All amounts payable hereunder by Customer shall be paid without deduction or withholding for or on account of any present or future tax, levy, impost, fee, assessment, deduction or charge by any taxing authority.

6. Term. These Terms shall commence as of the effective date set forth on the applicable Order Form and shall remain in effect for the period of time the applicable Order Form(s) remain active unless terminated in accordance with these Terms.

7. Termination. These Terms and the Order Form will terminate as set forth in the applicable Order Form. 8. Effect of Termination. Termination of these Terms in accordance with the previous section will not release Customer from its obligation to pay any fees or expenses owed or payable to Bottomline as of the effective date of such termination. Upon termination of these Terms: (i) all rights and licenses granted to Customer pursuant to these Terms shall immediately terminate; (ii) any and all amounts owed to Bottomline, whether or not invoiced shall become immediately due and payable; and (iii) Customer shall promptly and without charge return to Bottomline or destroy (at Bottomline's option) all copies of Documentation and other materials

a. Indemnification by Bottomline. Bottomline agrees to defend, at its expense, any third-party claim that Bottomline's proprietary technology or intellectual property infringes upon any US patent or copyright, and to pay any settlement, or damages finally awarded, in any such suit. Notwithstanding the foregoing, Bottomline shall have no liability for any claim arising from: (i) any modification of the Products and Services; (ii) use of an old or discontinued version of the Products and Services; (iii) use of the Products and Services in combination with any products or services not provided or authorized by Bottomline; (iv) use of the Products and Services in violation of these Terms or the Documentation; (v) Bottomline's or its third-party service providers' compliance with Customer's designs, specifications or instructions; or (vi) any claim for which Customer is required to indemnify Bottomline. In the event the Products and Services, or any portion thereof, becomes or, in Bottomline's opinion, is likely to become, subject to any claim of infringement of a third-party's intellectual property rights, Bottomline may, in its sole discretion: (i) procure for Customer the right to continue to use the Products and Services; (ii) replace or modify the Products and Services with a version that does not infringe; or (iii) if Bottomline cannot accomplish (i) or (ii) using commercially reasonable efforts, terminate these Terms and the Order Form. THIS SECTION SETS FORTH THE ENTIRE LIABILITY OF BOTTOMLINE, AND CUSTOMER'S SOLE AND EXCLUSIVE REMEDY, WITH RESPECT TO ANY CLAIM OF INFRINGEMENT OF THIRD-PARTY RIGHTS.

b. Indemnification by Customer. Customer agrees to indemnify, defend, at its expense, and hold Bottomline harmless, against any claim, and to pay any settlement, or any damages in any such suit, that is based upon or arising as a result of Customer's negligent or intentional misuse of the Products and Services, or Customer's violation of any applicable law or regulation.

c. Indemnification Procedure. The indemnification obligations of each party (the "Indemnifying Party") under this section are subject to the following conditions: (i) the party seeking indemnification (the "Indemnified Party") shall give the Indemnifying Party timely written notice of any claim for which indemnification is sought; (ii) the Indemnifying Party shall have the authority to control the defense and settlement of the claim (provided that the Indemnified Party shall have the right, but not the obligation, to participate at its own expense in the defense of such claim); and (iii) the Indemnified Party shall give reasonable assistance to the Indemnifying Party to enable the Indemnifying Party to defend the claim. The Indemnifying Party shall not settle or compromise any claim without the prior written consent of the Indemnified Party, not to be unreasonably withheld, if such settlement or compromise in any manner indicates that the Indemnified Party contributed to or was responsible for such claim, or if such settlement or compromise imposes any obligations upon the Indemnified Party or requires the Indemnified Party to take any action.

10. Injunctive Relief. The parties acknowledge that breach of these Terms may cause a party irreparable damage which cannot be remedied in monetary awards in an action at law and, in the event of any such breach, the non-breaching party may seek injunctive relief. Nothing contained in this section shall limit either party's right to any remedies at law or in equity.

11. Limitation of Liability. FOR PURPOSES OF THIS SECTION, BOTTOMLINE SHALL MEAN BOTTOMLINE, ITS AFFILIATES, SUBSIDIARIES AND THIRD-PARTY SERVICE PROVIDERS. NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, EXEMPLARY DAMAGES OR OTHER INDIRECT DAMAGES OF ANY KIND (INCLUDING, WITHOUT LIMITATION, LOST REVENUES OR PROFITS, LOSS OF USE, LOSS OF DATA OR LOSS OF GOODWILL OR REPUTATION) WITH RESPECT TO ANY CLAIMS

FURTHER, BOTTOMLINE SHALL NOT BE LIABLE TO CUSTOMER FOR ANY LOSS OR DAMAGE (OR ANY OTHER LIABILITY) ARISING OUT OF OR IN CONNECTION WITH RESULTS OBTAINED AND CONCLUSIONS DRAWN BY THE CUSTOMER FROM THE USE OF BOTTOMLINE PRODUCTS AND SERVICES. BOTTOMLINE'S THIRD PARTY SERVICE PROVIDERS SHALL BE INTENDED THIRD PARTY BENEFICIARIES OF THESE TERMS. THE FOREGOING LIMITATIONS WILL APPLY TO THE FULLEST EXTENT PERMITTED UNDER APPLICABLE LAW. THE REMEDIES SET FORTH IN THESE TERMS SHALL BE CUSTOMER'S SOLE AND EXCLUSIVE REMEDY UNDER THESE TERMS. CUSTOMER ACKNOWLEDGES THAT THE LIMITATIONS OF LIABILITY CONTAINED IN THIS SECTION ARE AN ESSENTIAL TERM OF THESE TERMS BUT FOR WHICH BOTTOMLINE WOULD NOT PROVIDE THE PRODUCTS AND SERVICES. THE LIMITATION OF LIABILITY SET FORTH IN THIS SECTION SHALL NOT APPLY TO CUSTOMER'S OBLIGATION TO PAY FEES.4

12. **Force Majeure.** Except for Customer's obligation to pay amounts due or as otherwise expressly set forth in these Terms, neither party shall be liable to the other for any failure or delay in performing its obligations hereunder (or any resulting loss or damage) if such failure or delay is due to circumstances beyond its reasonable control, including, but not limited to: (a) Internet network failures or Internet capacity limitations; (b) compliance with regulations, orders or instructions of any federal, state or municipal government or any department or agent thereof that delay or restrict performance hereunder; (c) third-party providers failure to deliver services; or (d) acts of God, natural disasters, acts of third parties including terrorist acts, unauthorized system access or intrusions, acts of civil or military authority, fires, embargoes, epidemics, war or riots.

The terms and conditions of any purchase order or other document submitted by Customer shall not have any force or effect or govern or amend these Terms in any way. Sections 1(e), 3, 8, 9, 10, 11, 13, and 15 shall survive the expiration or termination of these Terms and remain in full force and effect.

14. **Assignment.** These Terms and any rights and licenses granted hereunder, may not be transferred or assigned by Customer without Bottomline's prior written consent, and any attempted transfer or assignment will be null and void. Notwithstanding the foregoing, these Terms shall be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and permitted assigns. If another entity merges with or into or acquires Bottomline, or all or substantially all of Bottomline's assets, stock or business, Customer agrees and consents that Customer Materials and information that Bottomline has collected from Customer, including personally identifiable information, may be securely transferred to such successor or assignee.

15. Compliance and Governing Law; Disputes. The parties shall comply in all materials respects with all applicable laws and regulations. Within thirty (30) days after delivery of a notice of Claim from either party, the executives of both parties shall confer and all such negotiations shall be treated as confidential settlement negotiations for purposes of applicable rules of evidence. Any Claim not resolved pursuant to this paragraph shall be resolved by a Delaware state or federal court, and the parties irrevocably consent to this jurisdiction and those courts for all Claims. In any litigation relating to these Terms, the prevailing party shall be entitled to recover from the other party its reasonable attorneys’ fees and costs, in addition to any other relief awarded.

16. Severability.
