TROY M607 / M608 / M609

MICR Printers

LaserJet Enterprise M609

Features

3 Position Printer Key Locks & Paper Tray Locks
Most businesses locate the workgroup printer in an open office environment. This creates a security risk. TROY offers 3-position MICR key locks*and optional paper tray locks to reduce the risk of check stock theft and printer misuse.
*MICR Secure Ex models only

Exclusive TROYMark™
TROYMark is a watermark of user-defined variable data, printed diagonally across each check. It provides state-of-the-art deterrence of fraudulent check alteration.

ExPT™ Exact Positioning Technology
A MICR line out of alignment is one cause of rejected checks, a multimillion dollar problem for banks and companies. ExPT allows users to precisely adjust the MICR line without affecting the data file.

Selling Points
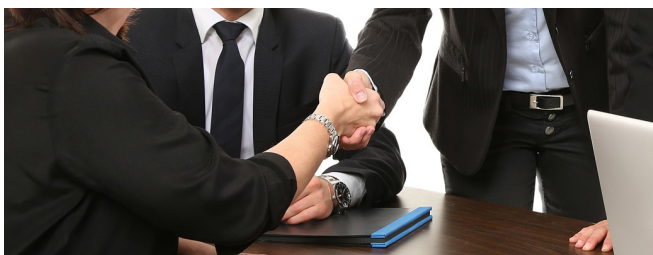

Multiple Model Choices
Choose the print capacity and security features to fit your needs.

High Speed Performance
Optimize productivity for every size work group with fast 55-75 page per minute print speed. Even complex print jobs are simplified, thanks to multiple paper handling options.

HP Reliability
TROY has been a member of the Hewlett Packard (HP) Solutions Business Partner Program for more than two decades. We are the only company in the world authorized by HP to enhance HP printers and consumables for use in secure printing applications. TROY has won countless awards from HP during our time as an HP Business Solutions Partner.

Complete the Solution

TROY MICR Toner Secure
A patented formula that helps deter fraudulent alteration by releasing a red dye when chemical removal of toner is attempted with a solvent.

TROY Check Paper
A full selection of check stock to choose from allows TROY to be your one stop solution for all of your check printing needs.
