British Pipeline Agency Increases Efficiency with Secure Cloud-Based Solution

"I have been in the BPA for 32 years and in finance for 27 years. PTX is the best payment software I have ever worked with."

- Pat Carpenter
Purchasing Coordinator

Challenges

- Original process was slow and cumbersome requiring manual cheques
- System was a risk due to process relying on outdated technology

Solution

- PTX Payments and Business Solutions Suite to enable secure Bacs payments made via the cloud for anywhere access

Results

- Saves up to 30 minutes in processing time compared to previous solution
- Easy upgrade path from server-based software
- Simple uploading of supplier payments files
- Secure cloud-based solution for anywhere access
- Complies with latest Bacs security requirements
