

BMCE Stays Ahead of the Market with the Latest Financial Messaging Solutions

"BMCE Bank International are a long-standing client of Bottomline's and are very pleased with the service we have been provided with for several years now. The level of governance and regular interaction the bank has with Bottomline ensures a close working relationship and that we are kept updated with the latest payment and industry developments."

- Colin Janes
Head of IT

Challenges

- Navigating the technical and regulatory changes required to remain operational and competitive was both time consuming and complicated

Solution

- Close relationship management, information sharing through webinars and events hosted by Bottomline provide easily digestible information about regulation and industry changes
- Enabling digitisation through the SWIFT payment gateway

Results

- Reduced the regulatory, technical and operational overhead through Bottomline's thought leadership, guidance, and hosted solutions
- Secure and efficient processing of international and domestic payments
- Continued growth through industry leading solutions and partnership
- Competitive advantage by staying well informed and ready to make choices in advance of future changes
